

PA Early Learning Keys to Quality Early Childhood Mental Health Consultation Program

Are you concerned about the Social Emotional Development and/or behavior of a young child who is in your care?

Early Childhood Mental Health Consultation Services are available free of charge to all Early Care and Education Facilities that participate in STARS

- ◇ Observation of a child in the early care and education classroom
- ◇ Working with a early learning practitioner to identify a child's areas of strength and need
- ◇ Development of a specific action plan related to individual child's social and emotional development
- ◇ Help for early learning practitioners and/or administrators to communicate with parents
- ◇ Assistance with referral of a child and his or her family for specialized services
